Here is an updated Agenda for Thursday and Friday, at the request of Legal we will be covering content during the first hour of the meetings. Chris Nelson will be joining us Thursday [T&N/Ingr.] and Paula Desel [Health/Scientific Papers] on Friday. We would appreciate it if the content owners would review the Agenda for their section prior to the meeting. We also look forward to meeting everyone and thanks for making the time for us. If you have any questions please give me a call at x2323.
